Dear School 3 Families,

Please make sure to update your child's information in Genesis. This includes updating phone numbers, and individual names and contact information of people permitted to pick up at dismissal.

If there is a change in your child's pick-up procedure, please submit a written notification via email to your child's teacher and cc the following email addresses:

mgolenischew@flboe.com

ealbrizio@flboe.com

vglover@flboe.com

Thank you!

Achievement Unlocked: Video Game Addiction

Presented by:  Achievement Unlocked
Mental Health Counseling

Technology Use and Mental Health go Hand in Hand

Mary-Kate Harty is a Licensed Professional Counselor specializing in working with adolescents and young adults. Mary-Kate has vast experience working with depression, anxiety, technology addiction, and more. Mary-Kate has worked within school systems, private settings, and as the Clinical Director of an Intensive Outpatient Program. Mary-Kate believes strongly in learning how technology use can impact our mental health and integrating it in a healthy way. Mary-Kate loves pop culture and in her down time is often watching a new show or playing a new video game

Join us to learn about:

- Understanding the impact of technology on mental health.
- Strategies for integrating technology in a healthy and balanced way.
- Exploring the effects of video games and social media on mental wellness.
- Practical tips for promoting technology wellness in daily life.

NJSLA for Grades 3 and 4

Dear School 3- 3rd and 4th Parents/Guardians,

School 3 students will participate in the NJSLA assessments from Monday, April 29, 2024- May 10, 2024. Each grade level is scheduled for 5 school days of testing. The 3rd and 4th grades will be testing on:

- Monday, April 29, 2024- Math
- Tuesday, April 30, 2024- Math
- Wednesday, May 1, 2024- Math
 - Monday, May 6, 2024- ELA
 - Tuesday, May 7, 2024- ELA

Our students are ready to show their knowledge with the year-long instruction provided by our School 3 teachers and staff. The teachers and students at School 3 have been working diligently all year to master the New Jersey Student Learning Standards.

To support our students and help our children be ready for the testing schedule, please note the following suggestions/procedures:

- Please be sure your child has sufficient rest each night before the test. Children should have at least 8 – 10 hours of sleep.
- Children should eat breakfast in the morning. Our cafeteria serves breakfast from 7:30 AM to 8:25 AM daily.
- All children should arrive at school ON TIME and every day. If a child comes to school late, after testing has begun, he/she WILL NOT be permitted to take ANY PART of the test administered that day. The student will have to take the assessments on the make-up day.
- Cell phones and all smartwatches should remain at home during all testing days. Any cell phones brought to school will be collected for the test duration.

Monday, 4/29/ 2024

	<ul style="list-style-type: none">• The assessment may include a video for students to listen to and watch. It is strongly recommended that students bring in their own headphones to feel comfortable while listening. <u>Please do not bring in wireless headphones.</u> Headphones should be sent in a zip-lock bag and will be kept in school for the duration of the test.• Please remember that the most effective way you can help your child is to remain calm and reassure him or her to do their best. Please do not hesitate to contact me or our School Counselor, Ms. DeSheplo, if you have any questions or concerns.
