Right At School Survey:

Please check your email for an email from our Right At School After School Program. We would like 100 percent of our parents to complete the survey.

Dear Fort Lee Parents/Guardians,

Tiger Tracks

Monday, March 4, 2024

I hope this message finds you well. At Right At School, we are committed to continuous improvement and providing the best possible experience for our students and families. Your feedback is instrumental in helping us achieve this goal.

We invite you to participate in our spring Parent Survey to share your insights, opinions, and suggestions about your experience with our programs and services. Your input is invaluable in identifying areas of strength and opportunities for growth within our community.

The survey covers various aspects of our program. Your honest feedback will enable us to better understand your needs and priorities, ultimately guiding our efforts to enhance the overall experience for you and your child.

Your participation is completely voluntary, and all responses will remain anonymous and confidential. Your feedback will be used solely for the purpose of improving our programs and services.

For this survey instead of the QR codes previously available, our company will send links to registered users. To access the survey, please check your email for the link to complete the survey.

The survey will remain open until March 11th, and we encourage you to take a few moments to complete it at your earliest convenience.

Thank you in advance for your participation and for your ongoing support of our programs. Your input is invaluable, and we genuinely appreciate your contribution to our continuous improvement efforts.

If you have any questions or need assistance with the survey, please don't hesitate to contact me.

Warm regards,

Dalay Hernandez

Thank you to Ms. Dimitra, our occupational therapist for creating a sensory walk for our students.

Incredible Kid Day

March 21, 2024

Attention all Parents and Guardians

Incredible Kid Day is Thursday, March 21st.

Every year, millions of people write/tell a young person in their life why they matter and what makes them amazing.

1. Send a letter, poem, or card to your child's homeroom teacher by Monday, March 18th.
2. We will read the letters and cards in class to all students.

This is a day of celebration for our School 3 Students. The cards and letters are a surprise for our students.

Please send your letter and cards to school in attention to your child's teacher.
